Good Samaritans Of The School

Following the auspicious inauguration of Golden Future School, Mr. Shobhit Narayan Agarwal and the esteemed members of the Golden Future Trust have committed to extending their vision for inclusive education. The pledge to establish more schools within underserved communities is part of a broader mission: to make high-quality education accessible to the economically disadvantaged, thereby enabling every child, regardless of financial background, to receive the resources they need for a brighter future.

The members of Golden Future Trust recognize that education is a powerful tool for uplifting communities and bridging social divides. In their discussions, they have identified the importance of not only providing classroom learning but also ensuring that essential educational resources—such as notebooks, textbooks, bags, and other school materials—are available to every student.

Their goal is to make these resources accessible at little to no cost, thereby removing the financial barriers that often limit educational opportunities for less privileged families. The Trust members are also actively seeking creative ways to inspire community involvement, encouraging individuals and organizations to contribute school supplies and other essentials to help meet the needs of the children.

This initiative is deeply rooted in a collective sense of social responsibility and the belief that each child deserves the right to quality education. Mr. Shobhit Narayan Agarwal expressed his gratitude, acknowledging that this noble mission has been entrusted to him by a higher purpose. He feels privileged to be part of this journey and is motivated by the desire to create a positive impact on the lives of these children. Through the establishment of Golden Future School, he envisions a brighter, more hopeful future for the next generation, filled with opportunities that extend beyond the classroom.

The Trust also aims to foster holistic development by providing education that goes beyond academic learning. Future plans include the incorporation of Sanskrit, dance, music, computer studies, and other skill-enhancing programs.

These subjects will equip children with valuable knowledge and exposure, fostering a well-rounded education that encourages them to explore and nurture their talents. By broadening the scope of their curriculum, Golden Future School strives to empower students to become self-sufficient and confident individuals capable of making meaningful contributions to society.

In closing, Mr. Agarwal and the Golden Future Trust extend an open invitation to anyone who shares their vision for societal upliftment to join hands in this endeavor. They believe that more hands working together can create a far-reaching impact, and they welcome all who wish to contribute to this cause. With this collective support, they hope to see more lives touched, more futures brightened, and a stronger, more educated community built over time.

Golden Future School represents more than just an educational institution—it **embodies a movement towards equity, empowerment, and enduring positive change.** Together, with the support and goodwill of the community, the Golden Future Trust is dedicated to nurturing the leaders of tomorrow and shaping a brighter future for all.

शोभित नारायण अग्रवाल की पहल पर प्रतिनिधिमंडल के सदस्यों के साथ भवन का एक मंजिला विस्तार करने पर भी वार्ता हुई। शोभित अग्रवाल ने बताया कि शीघ्र ही भवन विस्तार के लिए निर्माण कार्य शुरू किया जायेगा। स्कूल की अध्यापिका रचना ने स्कूल के कार्यकलापों के बारे में जानकारी दी। डॉ. गिरीश गुप्ता ने प्रतिनिधिमंडल को भवन में चल रही स्कूल सहित पांचों परियोजनाएं साईं शरण धर्माथ होम्योपैथिक चिकित्सालय, रोटरी सीमा प्रेरणा सिलाई स्कूल, सरस्वती डेंटल कॉलेज ग्रामीण सेटलाइट सेन्टर, सम्राट विक्रमादित्य कम्प्यूटर प्रशिक्षण केंद्र के बारे में जानकारी दी।

बच्चों को सम्बोधित करते हुए ब्रह्मकुमारी रेखा ने अच्छे नागरिक बनने के लिए अनेक बातें बतायीं। उन्होने बताया कि पुराने समय में भी राजा के बच्चे भी जब पढ़ने के लिए गुरुकुल जाते थे तो वे भी दूसरे बच्चों की तरह ही मेहनत करते थे, ताकि उनके अंदर साधारण जनता को होने वाले दुःख-दर्द का अहसास हो सके। इसके बाद ही बड़े होकर वे राजा बने। उन्होंने बच्चों को मेडिटेशन भी कराया तथा इसे रोज करने को कहा।

I've attended a few sessions and it has been really helpful. Shobhit sir is very generous towards students and they genuinely want to help you rather than profiteering that most mental health facilities indulge in. Highly recommended!

That's the need of the hour and they are doing a wonderful job for the society. Especially counseling and guidance are services where one should be more committed towards welfare of the concerned rather than mere money making. And Shobhit ji and his team are taking pains to genuinely help people and students and children for their concerns. Their counseling and career guidance is wonderful. Need more such 'GENUINE' outlets across the country.
